

Iron County Recycling Committee
August 25, 2010

Draft

1. Meeting called to order by Chairman Luke. Present: DeRosso, Luke, Wiita, Koski, Mullard, and Smith. Also present: Mikula, Brunello, Nicholls, and Prenderville.
2. The committee recognized the meeting was properly posted and advertised.
3. Motion by Wiita, seconded by Koski to approve the minutes of the previous meeting. All in favor.
4. The committee decided to extend the tire collection one week and to have an ad placed in the *Iron County Miner* informing Iron County residents the collection will be extended one week and then will end for the year.
5. Motion by Wiita, seconded by Mullard to authorize a second attendant, who will be paid as a contracted employee by Iron County, at the Hurley site on Tuesdays and on an emergency fill-in basis. All in favor.
6. Motion by Mullard, seconded by Wiita to approve the bills as presented. All in favor.
7. Motion by Wiita, seconded by Mullard to approve the financial report and place it on file. All in favor.
8. Public Comment: The camera will be deployed in Sherman; Price County is having a Clean Sweep this weekend.
9. New Business: Koski brought up the fact that although the Recycling Committee advertises in the Iron County Fair Premium booklet, there are no recycling containers placed throughout the fairgrounds. The Iron County Fair would have to incur the expense of providing containers and arranging collection. The committee would like to see containers provided for aluminum cans which could be donated and would not cost the Fair anything at next year's fair.
10. The next Recycling meeting will be held on September 15th. Agenda items to include tire collection and approving the 2011 Grant Request.
11. Motion to adjourn made by Smith, seconded by Mullard. All in favor.
