6. Oneida County Collection: Amounts collected: Flammables: 1276.86 lbs; 123 lbs Lab Packs; 6 Gallons of Oil; 82.79 lbs batteries; 19 Car Batteries; 304 tires; 82 Fluorescent Bulbs; 3 Gallons Antifreeze; 5 Large TV & Printer; 61 Small Printers and TV's; and 7 CPU's and Laptops.
7. Burning Complaint and Tire Complaint: Kelly Martinko, DNR Ranger, has been active in investigating burning complaints. She has filed a complaint with the DA's Office on one person, whom she has given several warnings to. There was a complaint regarding a large number of tires (approximately 700) being stored underneath a building in Saxon. The Health Department and Zoning Administrator checked on it. The Health Department determined it is not a human health hazard and Zoning determined it is not a blight issue as they are not visible to the public. Because the owner of the building is not improperly disposing or burning the tires on site, the Recycling Committee has no authority over this. The DNR does not regulate tire storage facilities that store less than 1,300 tires.
8. Public Comment: Sandy Brunello announced she will be retiring at the end of October. The committee thanked Brunello for her years of dedicated service. The committee instructed Prenderville to ask DeRosso how to proceed with filling Brunello's position.
9. New Business: None
10. Future Agenda Items and Set Meeting Date: The next meeting will be held on September 19th. Agenda items to include 2013 Grant Request and Hurley Attendant Position.
11. Motion to adjourn made by Smith, seconded by Mullard. All in favor.
