Discussion on the kitchen – Extension does not want to use it, but will use the school kitchen instead. Walesewicz will try to seel the old fridges & stove on tradio. Nothing new to discuss on the stove the Vietnam Vets were to purchase. If we don't sell the stove we will bring it to Sam salvage.

The committee reviewed the kitchen plans drawn up by Joe Waleswicz. They are going to put a double tub kitchen sink where the kiddy sink is presently located. Also we might install the base cabinets, rather than purchase stainless steel shelving units.

Dorothy will donate two coffee pots, a 30 & 100 cup coffee pot.

Old business-the lights- focus on energy. 8 footers have to be converted to 4 footers and those ones are not free. Motion by Valle 2nd by Prospero to go ahead and accept the bid at the discretion of Paul Mullard.

Fundraiser report-Iron Nugget will do a fundraiser in March. Others that are willing -- Chatsie, Bear Trap in Saxon, and Joany's after the snowmobile season ends.
