

IRON COUNTY LAND INFORMATION COUNCIL
MEETING MINUTES

The Iron County Land Information Council met on Monday August 20, 2018 at 10:00am in the County Board Room of the Iron County Courthouse, Hurley, Wisconsin.

Members Present: Neil Martinko, Joe Pinardi, Stacy Ofstad, Opal Roberts, Clara Maki, Todd Maki, Dan Soine, and Erika Roeder.

Martinko called the meeting to order at 10:00am, and proper publication of the meeting was acknowledged.

Motion to approve the meeting minutes from February 2, 2018 by Roberts/Pinardi; carried 8-0.

Triennial Land Information Plan (2019-2021) – Martinko reported that the plan is being worked on currently. The plan is basically a large scale project plan for the next few years. The plan will primarily cover Air Photos and Remonumentation as the large scale projects. The plan will need to be finalized by the LIO council in September and will then be sent to the state for review.

2020 Orthophotos – Martinko reported we have to select a company to fly air photos. WROC for 6in is \$80.00 per square mile. Pictometry is \$119,387.50 for the entire county of 9in orthoimagery, 4in neighborhood, and oblique. Discussion continued that while WROC is a cost saving solution several departments make use of the oblique for their daily functions. Motion by Ofstad to go with Pictometry Orthoimagery and oblique for 1 flight in 2020, seconded by Roberts; carried 8-0.

Other Business – None.

Public Comment – A member of the public appreciates the progress being made by the LIO Council and encourages LIO to continue their efforts.

Set Next Meeting – September 10, 2018 at 10am

Motion by Soine/Ofstad to adjourn; carried 8-0.
